V.B. Communication with clients and prospective clients

Về cơ hội đầu tư
và quá trình

Application
RPC

recommended process

Encourage their firms to have a rigorous methodology for reviewing research that is created for publication and dissemination to clients
Must maintain records indicating the nature of the research and should, if asked, be able to supply additional information to the client

Guidance

Inform clients of
the investment
process

Different form of
communication

Must adequately describe the manners to conduct the investment decision-making process
About the specialization or diversification expertise provided by the external adviser(s)
Must be on an ongoing basis about changes to the investment process
Must identify significant risks and limitations of the investment process
Written report, in-person, telephone, media broadcast, or transmission by computer
Must be diligent to avoid unintended problems because these services may not be available to all clients
Take reasonable steps to ensure that such delivery would treat all clients fairly
IPS, additional compensation, independence process (with employer) => written form

Identify risky and
limitations

Must outline to clients and prospective clients significant risks and limitations of the analysis & recommendation
Must adequately disclose the general market-related risks & specific risks of financial instruments
No knowledge of a risk or limitation that subsequently triggers a loss may violate standard VA

Report
Presentation

Must include important elements of the report for the reader's follow & challenge the reasoning
Allow to omit some matters as long as providing clearly stipulates the limits to the scope of the report
Must be supported by readily available reference material
Highlighted if methodology changed
Separate the fact (past) VS. Opinion (the future, outlook or future market price information)

Facts & opinions
Distinction btw

Quantitative research and analysis
Must be supported by readily available reference material
Highlighted if methodology changed
Separate the fact (past) VS. Opinion (the future, outlook or future market price information)

V.C. Record retention

Application
RPC

Maintain records that support investment action generally falls with the firm rather than individuals
However, members/candidates must archive research notes and other documents, that support their current investment-related communications

Guidance

Records are
property of firm

Local
requirements

New media
records

Meaning

Must retain records that substantiate the scope of their research and reasons for their actions or conclusions
Evolving technological formats -> Greater responsibility in retaining information in new media platforms

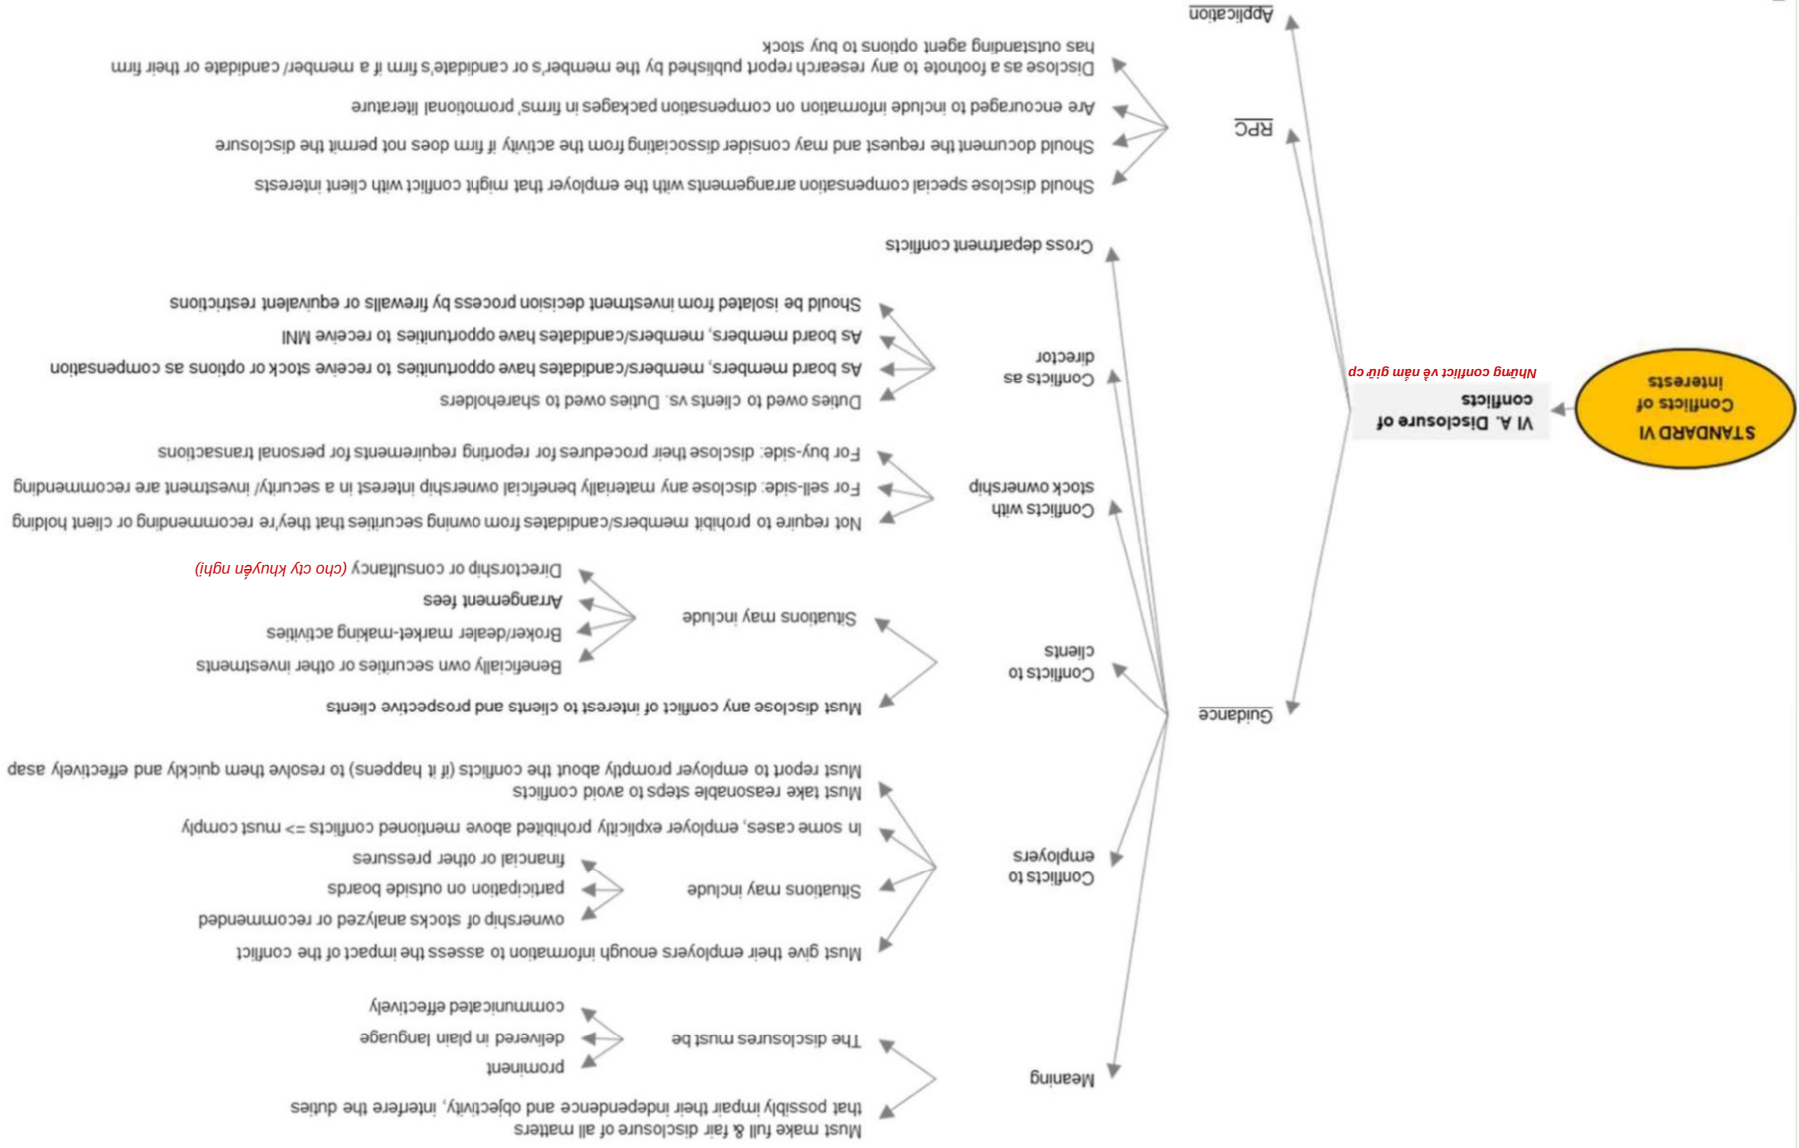

Must follow local regulation/ firm policies regarding the record retention
In case of absence of regulation, CFAI recommends maintaining records for at least 7 years

When leave firm, must not take the records (originals and copies) without express consent from ex-employer
Cannot use historical recommendations or research reports created at the previous firm

ex-ante risk: rủi ro biết đc, xảy ra trong qkhu
ex-post risk: rủi ro biết đc, thiên nga đen
